Authorization for this examiner's amendment was given in a telephone interview with Mr. Rong-Shuang Wang on 1/18/05.

Claims 1-6 and 9 have been canceled.

Claim 7 has been rewritten as set forth below.

7: A back scrubber- massager member for a shower/bathtub surround comprising: a bottom having two parallel elongated upstanding members spaced apart a distance so as to allow the insertion of a towel or sponge between said members, each member having a right wall, a left wall and an end wall at each end of said members and a smooth top wall, the transition from each wall to an adjacent wall being rounded for the comfort and safety of the user, each of the right, left and end walls being smoothly curved such that an angle between them and the bottom being less than 90 degrees for easy cleaning purposes, means on the under surface of the bottom for attaching said member to a shower wall and a protrusion on each of the member walls that face each other for aiding in holding a towel or sponge between said members.

The cited patents on the 892 show the state of the art.
